The National Capital Chapter of C-RS has flags for sale!

We are selling two sizes of the Rusyn flag, **officially adopted by the World Congress of Rusyns** in June 2007 and available for purchase for the first time. They are quality made here in the USA and perfect to display on a desk or mantle. The image is printed through the nylon thus visible on both sides of the flag.

The *small flag* is a nylon desk flag (9 x 12 inches) and comes attached to a 20 inch staff. The *miniature flag* is also a nylon flag (4 x 6 inches) and a single or double hole base is available for display of the flag. Pictures of the actual flags are shown here.
